Make it!

## Meet JUKI Educator, Lynn!

An avid quilter...Yes, she loves it from start to finish. What type of quilting? All kinds, from art quilts to traditional Lynn Sykes has quilting in her blood. Lynn comes from a family of sewing and quilting joined by her mom and sisters.

While Lynn creates her quilts she is thinking how and which techniques to use in the actual quilting process. Walking foot techniques is one of her favorites, she also loves ruler work with free motion added for depth and texture.

Lynn also loves to use her quilt technique to create purses and bags. Quilted, add some new fabulous cork fabric, add a zipper and put it all together with her serger.

Lynn loves what she does and loves sharing with everyone. Give Lynn a warm welcome in the JUKI booth at shows and dealer events around the country.
